

Thank you for purchasing our Herb Savor!

Here are some simple steps to get you on your way.

INSTRUCTIONS:

- 2 Remove the clear cover.
- 3 Insert fresh herbs.
- 4 Rinse herbs. Twist off bottom if necessary.
- 5 After rinsing off your fresh herbs we suggest you gently pat them dry.
- 6 Replace clear cover.
- 7 Remove stopper with a tug.
- 8 Fill water well just below the window with fresh water.

- 9 Replace stopper. Changing out the water on a regular basis will ensure your herbs remain in their very best, tasty and fresh condition, for the longest time.

DID YOU KNOW?

Your herb savor can fit neatly inside the refrigerator door! (To store basil, keep at room temperature, to not put in the refrigerator.)
